

**New services from Fribourg University Foundation
for the attention of the teaching staff**

Fribourg University Foundation (www.fondation.unifr.ch) is an operating foundation. With close ties to the University Development Office, Fribourg University Foundation is there to help if you are intending to develop a project which might be eligible for private third-party funding.

Let's develop together!

Fribourg University Foundation is your foundation and our members are committed to helping you. This year, together with the University Development Office, we are adapting our services to help you further.

Our services to you:

Routine fundraising (Development Office)	Strategic fundraising (Foundation)	Financial management (*)	Donor management (*)
Project appraisal	Project appraisal	Management accounting	Reporting/controlling support
Fundraising advice	Detailed fundraising analysis of projects	Monitoring of resource allocation	Communication about your projects to the support community (+ project impact)
Coordination	Development of a portfolio of contacts		PR support (cooperative)
	Fundraising for – and with – you		Invitation to annual meeting event
	Assistance with discussions/negotiations		
	Internal and external networking		
	Contract preparation and follow-up		

(*) When a project supported by private third-party funding is handled by Fribourg University Foundation, we help you with the financial management. We enter the partners/donors or sponsors into our database and help you manage relations with your donors **with you, on your behalf and for the benefit of the University.**
